GIRLS WIN FROM ROGUE RIVER

A greatly improved girls basketball team journeyed to Rogue River last Friday night and defeated Rogue River girls 21-26. The floor play was carried on remarkably well all through the game. This team was a great improvement over the one which took the floor against Gold Hill.

The girls played a fast game. If they do as well tonight as they did last Friday night against Rogue River they will surely win.

The boys game was slow and had few thrills. The boys were defeated 19-8, one of these scores being made by a Rogue River player who became excited and shot a basket for Eagle Point.

HIGH SCHOOL TO HAVE CHRISTMAS TREE

The High School can't let the Grade School get ahead of them in enjoyment of Christmas.

A Christmas Tree is being planned for Friday afternoon, December 20. The students have drawn numbers for the girls and letters for the boys names.

PRIMARY GRADES GIVE P.T.A. PROGRAM TODAY

The P.T.A. program for this afternoon is an interesting one portraying the talents of the younger children of Miss Darnelle's room.

The program consists of a talk on "Home Training of Children" by Mrs. J.C. Spencer; a recitation, "Poor Santa Claus" by Mary Harnish; a duct, "Within A Lowly Manger" by Elsie Helms and Irene Cox; and an impersonation, "Through the Telephone" by Clark Carlton.

SHOWER CONTEST INTERESTS STUDENTS

The contest that is being held among the High School students is for the purpose of raising enough money to install showers in the playshed.

Mary Hannsford and Kirch Pickle are the captains chosen by Mr. Davies. They selected their members by a blind process in the assembly hall Friday December 6. Each person is to get as many donations as possible to be paid when \$250 has been promised.

The teams getting the most money wins and is to be entertained by the losing team.

SPORTSMANSHIP

"Sportsmanship." What does this word mean? Can you explain it? Have you ever thought about it?

Sportsmanship, as displayed by a losing team, may either be classed as poor or good. To be regarded as the former in the world of all athletics and business, poor sportsmanship is an undesirable brand upon those who indulge in unfair play. But, however, if the losing team submits to their opponents with good grace and fair play, then good sportsmanship reigns, and the finer qualities of their fair play are in the minds of all.

Eagle Point has the name of being 'Good Sports'. "They play a clean game," was the remark made by a Gold Hill member. This is a worthy compliment, one of the highest that can be spoken in the athletic realm. We hope that Eagle Point will always have the spirit of clean play and good sportsmanship.

GOLD HILL RETURN GAME SCHEDULED FOR TONIGHT

The Girls and Boys Basket Ball Teams will play their return game at Gold Hill tonight.

From the score that the Gold Hill Boys made against Jacksonville Friday, Dec. 6. Eagle Point will have to play a harder and better game than they did in the first game which Gold Hill beat them by one point.

Eagle Point wishes to thank Gold Hill for their good sportsmanship and hope that they can return the same.

TALENT LOOMS AS STRONGEST CONTENDER IN CONFERENCE GAMES

By comparison of the various teams in the games that have been witnessed it seems that Talent has a slight edge over her conference contenders. In the first game of this season Talent defeated Butte Falls, one of the teams in this conference, by a score of 39-9. Talent had won all games until last Friday when they were defeated by Phoenix with a score of 6 to 7.

Sams Valley also has a strong team suffering as yet no defeats. Jacksonville was defeated by Gold Hill last Friday night by a score of 50-7 thus partly eliminating them as a contender. Prospect's strength is unknown as they have played no practice games with other county teams.
